Leader: Let the people praise you, O God; let all the peoples
praise you!

**People: Let the nations be glad, and sing with joy in your
presence.**

Leader: For you judge the people with equity, and guide the
nations of the earth.

**People: The land will yield its increase, for you, our God,
have guided us.**

**All: So bless the Lord, all people. Let the ends of the earth
revere the Lord our maker! Amen**

Prayer of the Day

Liturgist

We come before you, Oh Lord. As the sun rises, please give us hope. As the birds sing, please give us love. As the light floods into this new day, please give us joy. You have brought us to the beginning of a new day. As the world is renewed fresh and clean, we ask you to renew our hearts with strength and purpose. And give us courage to do whatever needs to be done. In Jesus' name, we pray. **Amen**

Prayer of Confession

Liturgist

God of justice, you know us better than we know ourselves. You search our hearts and discover the secrets we wish to hide. You send your Law to convict us of sin and lead us into righteousness. You are the redeemer who is also the judge, and though you offer a new beginning, we run from your justice. Even as we try to craft a better nation, we forget that no nation can stand if its people have forgotten your Law and spurned your forgiveness. Have mercy on your people, who honor you with our lips and ceremonies but deny you with our deeds. Please grant us the justice that only you can give. Receive also, in your grace, our admission of these personal sins....

A Prophet to the Nations

Rev. Duane Hix

Affirmation of Faith (From the *The Confession of 1967*)

Wise and virtuous people through the ages have sought the highest good in devotion to freedom, justice, peace, truth, and beauty. Yet all human virtue, when seen in the light of God's love in Jesus Christ, is found to be infected by self-interest and hostility. All people, good and bad alike, are in the wrong before God and helpless without divine forgiveness. Thus, all people fall under God's judgement. No one is more subject to that judgement than those who assume that they are guiltless before God or morally superior to others.
